

A Simple Dot Can Matter...

How much can a simple dot really matter?

These dots have the power to remind you to pray...

Here's what you should do:

- Stick one of these little dots in all the places you see every day, like the bathroom mirror, the corner of your review mirror, your cell phone or wristwatch.
- Then every time you come across one in your daily life, it will remind you to pray the prayer on the reverse side...

Now that's a dot that matters!

Lord, you are more generous than I deserve.
I am constantly amazed by your faithfulness.
You bless in ways I don't anticipate.
I am grateful.

Help me use all you have given me for your glory and to bless others.
I can't see the future so I need your direction.
Show me the next step and empower me to trust you with the rest of the journey.
Let me know what you have in mind, Lord, and I'll do it.
In your name I pray...

Amen.
